Biography

I have 17 years of experience, as both university lecturer and EFL/ESP instructor, in teaching conversation, holding international exam preparation courses (TOEFL, IELTS, PTE) and also supervising and monitoring branches and training teachers in various reputable English schools and colleges in Iran and Turkey. I tend to be proactive in identifying and resolving issues with sound analytical abilities and excellent communication skills. My research interests are Language-teacher Education, Multiculturalism, Philosophy-Based Language Teaching, Indigenous Languages, Reading (Maturity), Writing, Curriculum, Strategic Listening.
